

VAIL UNDRESSED CALENDAR 2011 BEST OF VAIL UNDRESSED

The 2011 Vail Undressed Calendar will be the last of its kind for the Vail Valley Charitable Fund. The theme this year will be "Best of Vail Undressed" and it will contain the 12 most popular calendar photos of all time, as determined by a community vote. For 8 weeks now we have been re-revealing each edition of the Vail Undressed Calendar to remind the public of the locals who have taken it all off for charity since the project began in 2002. The campaign has been successful, bringing in nearly 5,000 votes – across 59 photos - to date. Many folks have asked whether the leading photos are all group shots, as more models could theoretically raise more dollars. In fact, five of the leading 12 photos are group shots. But the majority of votes have come in for individuals or couples. And... no... we aren't going to give it all away here. Not when six weeks of voting still remain. Each vote costs \$1 and each \$1 raised goes directly to locals facing a financial hardship from a medical crisis. Make the final calendar the one you want to see. Vote for your favorite photo or photos before August 1st. For more information, check out www.vvcf.org.
